

20 Probability: must, can't, may, might, could

- 1 We use **must**, **can't**, **may** and **could** with an infinitive (e.g. **be**, **go**, **come**, **earn**):

They **must** INFINITIVE
earn a lot.

- 2 CERTAINTY **She must be rich.**

Look at this example with **must**:

Jane got top marks in her exams. **She must be very clever.** (= From what we know, we can be certain that Jane is very clever.)

We use **must** to say we are certain:

The Greens have two houses and two cars.

They **must earn** a lot of money. (= We can be sure that the Greens earn a lot of money.)

A: There's someone outside in an orange car.

B: It **must be** Susan. She's the only person I know with an orange car.

- 3 IMPOSSIBILITY **She can't be poor.**

Look at this example with **can't**:

Mark studied hard for his exams, but he got poor marks; he **can't be** very clever. (= From what we know, we can guess that Mark is not very clever.)

We use **can't** to talk about impossibility:

The Browns both have part-time jobs; they **can't earn** much money. (= We can guess that the Browns do **not** earn a lot of money.)

A: There's someone at the door. I think it's Bill.

B: It **can't be** Bill. He's in Australia.

- 3 POSSIBILITY

She { may
might
could } be in the garden.

Look at this example with **may**:

A: Eve's not in her room. Where is she?

B: She **may be** in the garden.

(= From what we know, **perhaps** she is in the garden.)

We use **may**, **might** and **could** for something that is possible but not certain, now or in the future:

My sister **might come** tomorrow.

(= From what we know, perhaps she **will** come.)

Now look at this example with **may not**:

A: I've phoned Jill, but there's no answer.

B: She **may not be** at home. (or **She might not be...**)

(= Perhaps she is not at home.)

Could not is not possible here.

Practice

- A Complete the sentences using **must** or **can't** and one of the verbs from the box.

be belong speak come spend have like live want remember

- 0 Anna lived in America for three years, so she must speak English.
- 0 Tom's brother doesn't know anything about medicine, so he can't be a doctor.
